

150mm Textile Lightbox

Freestanding, Illuminated or Non-Illuminated

Can't see the profile you need?

No problem - we have a wide range of other extrusion depths available.

Frame specification

- 150mm deep aluminium profile
- Free-standing, complete with steel feet measuring 600 x 100 x 6mm
- Double-sided
- Satin anodised silver finish as standard with the option to powder coat to any RAL colour
- No back panel required
- Suitable to manufacture to any size requested
- Can be manufactured in sections, with internal joining bars for easy, on-site assembly and shipped in kit form

Illumination

- Side illuminated
- LED: Rigid LED bar
- IP65 rated
- Colour: Pure white
- Operating voltage: 24 Volt
- Power supply: Positioned internal to the lightbox
- Hardwiring or plug and play options available

Fixing recommendations

- Suitable for free-standing use
- For larger sizes we would recommend fixing to the floor through the bases

Graphic recommendations

- Suitable for fabric print with silicone edging to all four sides
- Artwork to be supplied in PDF format with a 25mm bleed to all sides
- Guidelines available on request
